

SNC-Lavalin is one of the leading engineering and construction groups in the world, and a major player in the ownership of infrastructure and in the provision of operations and maintenance services. SNC-Lavalin companies provide engineering, procurement, construction, project management and project financing services to a variety of industry sectors, including agrifood, pharmaceuticals and biotechnology, chemicals and petroleum, environment, heavy construction, mass transit, mining and metallurgy, power and water management.

Founded in 1911, SNC-Lavalin has been active internationally for 50 years, establishing a multicultural network that spans every continent. The SNC-Lavalin companies have offices across Canada and in over 35 other countries around the world and are currently working in some 100 countries.

SNC-Lavalin's vision, built on experience and innovation, is to maintain and strengthen its core engineering business, to develop new skills and activities, and to respond to the changing needs of clients and markets. SNC-Lavalin's strategy for sustained growth is anchored in the development of world-class products, its far-reaching international network and its financing capabilities.
